

THIS WEEK'S BOOK SPECIAL  
COMMUNICATING CHRIST IN ANIMISTIC CONTEXTS

By Gailyn Van Rheenen

Pasadena: William Carey Library, 1991, 342pp

Communicating Christ in Animistic Contexts shows that animistic beliefs are ubiquitous today, whether in New Age mysticism, horoscope occultism, Haitian voodooism, Chinese ancestor veneration or Japanese Shintoism. Gailyn Van Rheenen presents a rigorous biblical, theological and anthropological foundation for ministering in animistic contexts overseas or next door. We have four copies of this book on the shelf. Our normal price is NZ\$25.00 but for this week only we can do a 20% discount and offer those four copies at NZ\$20.00 each (plus postage). Send orders to <nancy.hall@xtra.co.nz>. Or you can order the book direct from William Carey Library in Pasadena for US\$9.25 plus postage <orders@wclbooks.com>.
